Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Friday 11 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain clearing this morning then sunny spells and showers.

Today:
Some early brightness towards the Great Glen, otherwise a cloudy start with outbreaks of rain. However brighter conditions with sunny spells and a few showers soon reach the Outer Hebrides and spread to all parts for the afternoon. Breezy. Maximum temperature 18 deg C (64 deg F).

Tonight:
A few showers continue to affect the north and Outer Hebrides but elsewhere generally dry with late sunny then clear spells. A much fresher night than of late. Minimum temperature 7 deg C (45 deg F).

Saturday:
The odd shower across the north through the morning, otherwise mainly dry with sunny spells. Becoming cloudier from the west through the afternoon with some rain in west later. Breezy. Maximum temperature 16 deg C (61 deg F).

Outlook for Sunday to Tuesday:
Some morning brightness in east Sunday otherwise cloudy with outbreaks of rain. Sunny spells and showers Monday and Tuesday starts dry and bright but the afternoon cloudier with rain later.
